HON. WALLY HERGER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 28, 2012

Mr. HERGER. Mr. Speaker, America's Blood Centers is North America's largest network of community-based, independent, non-profit blood centers. I congratulate ABC on its half-century anniversary and applaud its continued mission to help member blood centers serve their communities.

BloodSource is the blood center in Northern California. A regional, non-profit organization, BloodSource provides blood and services in ten counties within California's Second Congressional District and sixteen other counties in the state. In my district, BloodSource operates two major regional blood centers and one community donor center. Every day BloodSource conducts multiple blood donor drives to assure a safe and plentiful blood supply for the people who receive care in thirteen hospitals I represent.

I am proud to be a BloodSource blood donor and honored to represent 90,000 BloodSource blood donors. I have had the privilege of sponsoring BloodSource blood drives for several years. I applaud the efforts of BloodSource to make certain that every patient has the blood and blood components needed, wherever and whenever the need.

I join BloodSource in celebrating the 50th anniversary of ABC. Together with its members, ABC provides half of the American and a quarter of the Canadian blood supply to more than 150 million patients who receive care in 3,500 hospitals and healthcare facilities across North America. The work of ABC members impacts all of us.

Congratulations to America's Blood Centers. Because of their work, lives are being saved in cities and towns across the nation.

RECOGNITION OF LESLIE LEWIS

HON. EDOLPHUS TOWNS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 28, 2012

Mr. TOWNS. Mr. Speaker, I rise today to pay tribute and to honor Leslie Lewis. A native of the Bronx, New York, Mr. Lewis is an outspoken highly respected advocate for the community.

Mr. Lewis was born and raised in the Bronx, New York but eventually spent a large part of his life in Scarsdale, New York. In Scarsdale, Mr. Lewis raised his two sons, Robert and Mark. Mr. Lewis first moved to Brooklyn in 1982, when he settled into a home on Wyckoff Street—between the Gowanous Housing Projects and the Wyckoff Housing Projects. Shortly after moving there, he joined the precinct community council.

Mr. Lewis worked for 30 years in the exhibition business, becoming president of the Greyhound Exposition Company in the process. Along with national trade shows, Mr. Lewis maintained his concern for minority areas. He developed his "Job Power" concept as a way to bring employers to unemployed urban minorities. This concept was recognized by then President Nixon, who transformed it into the modern day job fair.

These experiences led Mr. Lewis towards recognizing his talent for bringing the concerns of regular people to their elected officials. Upon moving to Brooklyn, he developed a relationship with the district attorney's office in an effort to improve community relations. In his capacity of police liaison, as well as council president of the 84th Precinct, Mr. Lewis serves as a switchboard between Borough President Markowitz, the Brooklyn district attorney's office, the police and his 2.5 million constituents.

Mr. Lewis gathers complaints from the public and then communicates them to the police, making sure that something gets done about them. Crime has seen a dramatic decrease in the 84th Precinct. Since 1990, it's gone down over 90%, according to NYPD statistics. Because of efforts of community leaders like Mr. Lewis, Brooklyn neighborhoods have a high
